Schedule A – Direct Contributions

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.
